

# YOUR WORLD WAR

# MEMORIES

**On 13<sup>th</sup> September 2025** St. Michael's Parish Church, Flixton are hosting an **OPEN DAY**

We celebrate its history in the community, the building itself, the churchyard and the local people who have helped shape it over the centuries.

As we commemorate 80 years of the ending of WW11 we would like the local people to share 'their story'.

**Were you in in Royal Navy? The Army or the RAF?**

**Were you a fire steward? Work in the Land Army?**

**A Look out or the WAAF?**

Please share your story. Write them down on an A4 sheet of paper and we will display them on the day. Need any more information?

On the day our 24 Commonwealth War Graves in the churchyard will be marked with a poppy so they will be easier to find. Come and join us on the day
